ORDER

The court, on its own motion, directs that the Motion for Summary Judgment filed by the Plaintiff on January 10, 2011, is DENIED, without prejudice, because it was not accompanied by a statement of material facts which the Movant contends are undisputed as required by E.D. LBR 7056-1(a). Additionally, the Plaintiff inappropriately filed her brief in support of the Motion for Summary Judgment as an exhibit to the Motion rather than as a separate document.
